

## Bupa - Case Study

### Client overview

Bupa is a leading provider of occupational health and wellbeing services in the UK. Working in partnership with Bupa, we developed a comprehensive occupational health platform for delivery of a wide range of services. Key components include Day 1 Absence Management, Case Management/Referral and Health Surveillance.

### Problem

- Lack of effective tools for clinicians and admin staff
- Clients demanding better MI
- Inconsistent service delivery across clients, regions & products

### Solution

- A wellness platform, modular solution implemented in phases
- Online referral, assessments & booking across multiple sites
- Includes 'Day 1' Absence Management

### Benefits

- Secure, online engagement with clients
- More consistent service delivery
- Improved utilisation and cost savings
